### Achievement Assembly

This week children have been awarded certificates for Enjoying Learning! Well done to the following:

**Reception:** Spencer King-Booth **Year 1:** Whole Class **Year 2:** Scarlett Small and Hannah Butler  
**Year 5:** Joe Hattam-Purcell **Year 6:** CJ Thompson

### Celebrating attendance

Year 5 have the highest attendance this week with over 95.5%. Fantastic - well done everyone!

### COVID 19

We will continue with the current protective measures that have been in place since September until the end of term as outlined in our COVID risk assessments, until the end of the summer term (e.g. bubbles, limited visitors, staggered entry/departure times, staggered lunchtimes, increased cleaning etc).

With one week left of term it is imperative that we continue to reduce risk and manage positive cases and close contacts of positive cases in our school, in the same manner we have done up until now.

That being the case we need you to continue to socially distance when dropping off and collecting your child. We also ask you continue to wear a face covering when on site too. Staff will continue to use face coverings and any other personal protective equipment as necessary until the end of term too.

### School shoes for September

In order for us to continue with more physical outdoor learning, we will be asking children to continue to come to school in trainers for the first half term of the next academic year (7<sup>th</sup> Sept - 22<sup>nd</sup> Oct).

### School Uniform Orders for September

If you want to take advantage of free delivery to school for September, orders must be placed by close of play today - items will then be delivered to school over the summer and can then be collected on Monday 6<sup>th</sup> September before pupils return on the 7<sup>th</sup>.
