

### Return to school

As I am sure you are all aware it is hoped that all primary aged children will return to school on Monday 8<sup>th</sup> March and we are delighted at the prospect of having everybody back to school. On return we will be working under a revised Risk Assessment to keep everybody as safe as possible. This will mean staying within class bubbles, face coverings for adults, extra hand washing and cleaning and changes to our timetables.

Once the final risk assessments have been made we will be able to advise you about the start and end time for your child's class bubble as well as other procedures required. School meals will be available and we hope to operate a booking system for breakfast club for pupils across the school.

As children will be expected to return to school in uniform and trainers you might find it useful to look at the deals found by the Martin Lewis show to cut your costs [Cheap School Uniform Offers - from £4 - MSE \(moneysavingexpert.com\)](https://www.moneysavingexpert.com/offers-from-4-mse)

### Remote learning live lessons

We have had some wonderful live sessions this week and are looking forward to more next week, especially our share a story events on **Thursday to celebrate World Book Day**.

If it your child's is accessing live lessons for the first time look out for an email from school which provides an Acceptable User Policy for you to read and sign. Following that usernames and passwords will be distributed to allow them access.

Please, please do not worry if these sessions do not fit in with your family day, routines or needs. They are not compulsory and are there to compliment the remote learning activities set on your child's class page. Our main concern is your health and well-being.
